TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "**Agreement**"), dated as of November 8, 2005, is between AUTOTRONIC CONTROLS CORPORATION, a Texas corporation (the "**Grantor**") and ANTARES CAPITAL CORPORATION, a Delaware corporation, as Agent (as such term is defined below, in such capacity, the "**Grantee**")

WHEREAS, Grantor owns the Trademark registrations and Trademark registration applications listed on Schedule 1 annexed hereto; and

WHEREAS, Grantor, as a Borrower, has entered into an Amended and Restated Credit Agreement dated as of January 28, 2005 (as the same has been and may hereafter be amended, restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), with SUPERCHIPS, INC., a Florida corporation ("**Superchips**"), COMPETITION SYSTEMS, INC., a California corporation ("**CSI**"), ANTARES CAPITAL CORPORATION, as agent ("**Agent**") for the benefit of all financial institutions that from time to time become lenders under the Credit Agreement (collectively, the "**Lenders**") and as a Lender, and the other Lenders party thereto, providing for extensions of credit and other financial accommodations to be made to Grantor and Superchips by the Lenders; and

WHEREAS, pursuant to the terms of a Second Amended and Restated Security Agreement dated as of the date hereof (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "**Security Agreement**") between Grantor, Superchips, CSI and Agent (in such capacity, "**Grantee**"), Grantor has granted to Grantee for the benefit of Agent and the Lenders a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Security Agreement), Trademark registrations and Trademark registration applications, together with the goodwill of the business symbolized by Grantor's Trademarks, and all proceeds thereof, to secure the payment of the "**Liabilities**" (as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee a continuing security interest in all of Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "**Trademark Collateral**"), whether presently existing or hereafter created or acquired:

- (1) each Trademark, Trademark registration and Trademark application, including, without limitation, the Trademark registrations and Trademark registration applications referred to in Schedule 1 annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, Trademark registration and Trademark application; and
- (2) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of

any Trademark or Trademark registration including, without limitation, the Trademark registrations referred to in Schedule 1 annexed hereto, the Trademark registrations issued with respect to the Trademark registration applications referred in Schedule 1 or (b) injury to the goodwill associated with any Trademark or Trademark registration.

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement and is not intended to increase the rights of Grantee or the obligations of Grantor beyond the rights and obligations contained in the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

[Remainder of page intentionally left blank; signature page follows.]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its duly authorized officer on the date first set forth above.
